

INTRODUCTION

Turn your English into your opportunity.

IELTS is more than an English test—it can be your gateway to higher education, global careers, migration, and international opportunities.

This comprehensive IELTS Preparation Programme is designed to help learners build the language proficiency, test-taking strategies, confidence, and accuracy needed to perform at their best.

With a structured approach to Listening, Reading, Writing, and Speaking (LSRW), the course combines expert instruction, guided practice, personalised feedback, and realistic IELTS-style assessments to help you move from “*I know English*” to “*I know how to score.*”

OBJECTIVE OF THE WORKSHOP

The programme aims to equip learners with the skills and strategies required to approach the IELTS examination with clarity, confidence, and control.

Participants will learn to:

- Understand the IELTS test format, assessment criteria, and expectations.
- Develop the four core language skills: Listening, Reading, Writing, and Speaking.

- Master practical techniques for tackling different question types.
 - Improve vocabulary, grammar, fluency, pronunciation, coherence, and accuracy.
 - Identify individual strengths and areas for improvement.
 - Apply effective time-management and test-taking strategies.
 - Build confidence through continuous practice, feedback, and mock assessments.
-

METHODOLOGY

Learn. Practise. Apply. Improve.

The course follows a practice-oriented and learner-centric methodology rather than relying on lectures or memorisation.

1. Diagnose

Understand your current level, strengths, and skill gaps.

2. Learn

Build the language and IELTS-specific strategies required for each section.

3. Practise

Work with authentic, exam-style tasks and progressively challenging activities.

4. Receive Feedback

Get focused feedback on your Speaking and Writing performance and guidance on improvement.

5. Apply

Use strategies under realistic time and exam conditions.

6. Assess & Improve

Track progress through regular assessments and mock tests and refine your approach.
